And What Have You

By BOB CRAIG

I had to attend a meeting in Lubbock Sunday and on the way back Sunday afternoon I came across a rather strange sight. A Slaton car dealer has his building out on the highway that by passed the town and like most car dealers he has a used car lot as part of his business.

Now I am used to seeing lots of things on car lots besides cars and trucks—boats, travel trailers, motor homes and even motorcycles—but this one topped them all.

Located on the lot among the cars and trucks were three airplanes. And yes, I checked, the lot does not adjoin the airport, in fact the Slaton airport is halfway to Lubbock.

This is National Newspaper Week and the reason this was brought to mind was the fact that I had to make a talk to the high school civics class on Freedom of the Press. As I pointed out to the class this is also "National Spanish Green Olive Week," but I decided to let somebody else discuss that subject.

Since this is National Newspaper Week and the role of the newspaper becomes more and more complicated in this fast changing world we live in, I thought that it might be well to devote a little time and space to this important subject. We all, at one time or another, have criticized the press either for too much coverage or not enough and fortunately for the press, the most vocal of these criticisms often comes from the press itself.

Americans today take freedom of the press for granted and seldom stop to examine its meaning or appraise its value. Knowing the origin and development of press freedom may help understand why American civilization must have a free press or die.

Few persons in ancient times could read or write. They were dominated by leaders who, backed by prophets and priests, proclaimed their god given right to rule and perpetuate their rule. Freedom of expression in politics and religion was suppressed. Until printing presses started spreading ideas, there was no means of mass communication. The world hasn't been the same since.

It was 250 years after Gutenberg developed the printing press that licensing of printers and newspapers was abandoned in England. Efforts to muffle and muzzle the press continued for still another 100 years, but with decreasing success as people realized how closely their freedom was linked with a free press.

Church and state leaders in the American colonies disapproved of freedom of thought and expression, believing control of the press essential to preserve public morality and maintain constituted authority. So, when newspapers first appeared, they were promptly suppressed or licensed and heavily censored.

Early American patriots would have been unable to marshal public opinion and spread the news of their actions without the printers and publishers who risked imprisonment and bankruptcy to criticize the colonial government and agitate for independence.

Historian David Ramsey said, "In establishing American independence, the pen and the press had a merit equal to that of the sword."

The first significant victory for freedom of the press in America was won in court in 1735 by John Peter Zenger against a libel charge. It established the right of the press to publish news or criticism of government officials, if the facts published were true.

WINNING TOUCHDOWN—Johnny Jones (20) breaks loose from two Anson wouldbe tacklers and goes into the end zone standing up for the winning score in Anson Friday night. The touchdown and the extra point that followed gave the Pipers a 17-13 victory in their first district outing. The score came with 32 seconds left on the clock and was set up by a fumble recovery on the Anson 33-yard line. (Photo by Tim Jones)

Pipers to Host Winters In Homecoming Battle

The Pied Pipers will host the Winters Blizzards here Friday night in a Homecoming battle for Hamlin Exes. It will be the second district contest for both teams with the kickoff set for 7:30.

The Pipers won their district opener last week with a come-from-behind touchdown in the waning seconds to defeat Anson, 17-13, while Winters lost to Ballinger in the final minutes of their game, 15-13. Both teams have 4-1 season records with Hamlin losing earlier to Clyde.

The only common opponent the two teams have played this year is Clyde with Winters handing the Bulldogs their only defeat of the season in the opener for both teams.

In other district 6-AA action, Anson will travel to Coahoma and Stamford will play Colorado City. Ballinger is idle. In the other district game played last week, Coahoma defeated Colorado City, 35-12.

Scouting reports on the Blizzards compare the team favorably with Anson with Winters sporting a strong defense that has given up only 37 points this season, the stingiest of any team in the district. The Blizzards have scored 83 points during these five games to give them their 4-1 record. The Pipers on the otherhand have scored 148 points and have given up 47.

The Blizzards operate from the "I-Slot" formation with Benji Alldredge, 153-pound senior, leading their attack from his quarterback position. Although the senior quarterback throws well, the Blizzards rely mostly on their running game. Leading the running attack is Fullback Ricky DeLaCruz, 181-pound senior, who runs hard and is a good blocker for his running mates.

Running at tailback and slotback, depending on whether the formation is set to the right or left, will be Tony Johnson, 178-pound sophomore, and Johnny Ray

Liggins, 171-pound senior.

At split end will be Jimmy McNeill, 171-pound senior, and at tight end will be Mike Moore, 187-pound senior. The two tackles will be Mike Myer, 191-pound senior, and Glen Colburn, 213-pound senior and the guards will be Donald Rogers, 162-pound senior, and David McAdoo, 186-pound senior. At center will be Perry Poe, 185-pound senior.

On defense the Blizzards run the same type defense that the Anson Tigers ran against the Pipers last week.

Absentee Voting Now Underway

Absentee voting is now underway on the \$120,000 bond election called by the Hamlin Independent School District for the purpose of building an all-weather track and improving the football stadium. The absentee voting continues through Tuesday, Oct. 15, with the election set for Saturday, Oct. 19.

Jane Murphree is absentee clerk and ballots are available at her office at the high school.

Included in the \$120,000 bond issue is the new lighting system currently being installed at the football stadium which is expected to be used this weekend. Other projects include an eight-lane Resolute track to be located where the present track is located, all of the additional equipment required for the track, a 650-seat track stadium, five additional acres of land west of the track field, and new aluminum seating for the home football stands.

Based on present values of the School District, the \$120,000 bond issue would cost the taxpayers an additional seven cents per \$100 valuation. This would be just under a five percent increase in taxes.

Mr. and Mrs. Monroe Tabb visited in the home of their son and family, Mr. and Mrs. Monroe E. Tabb in McCamey over the weekend. They attended the football game between McCamey and Van Horn. Their grandson Eric was on the McCamey team. On Saturday they celebrated Eric's 18th birthday.

Bonfire Tonight to Open Homecoming Activities

A bonfire at the stadium after the Junior Varsity football game here tonight (Thursday) and a Pep Rally at 8:20 a.m. Friday will herald the opening of the 20th Hamlin School Homecoming this weekend.

Other activities include the game with Winters at 7:30 p.m. preceded by a chili supper in the high school cafeteria beginning at 5 p.m.

A cake and pie auction will be held at the after-game coffee in the cafeteria with Charlie Sellers as the auctioneer.

Saturday morning the downtown parade will assemble at 9:45 at the football field. Bike riders should be in front of the high school at this time. The Little Pipers are to meet at the northeast corner of the Methodist parking lot at 10:15.

The parade should reach downtown by 10:30 led by the Hamlin High School Marching Green.

The theme of the parade will be "Remember When." The route will be north from the football field on Southwest Ave. F to West Lake Drive, east to Central, south on Central to Harden Hotel where the procession will reverse and return to the high school.

Prizes will be awarded for first three places in two divisions, school and businesses and clubs, and in two categories, beauty and open. A theme prize will also be presented. Three prizes will be given for best decorated bicycles. Prizes will be awarded at the 1 p.m.

business meeting in the cafeteria.

The noon luncheon will be served in the cafeteria from 11 a.m. to 1 p.m.

Jesse (Red) Burditt, head coach here from 1948 to 1952, will be the speaker during the program.

Hamlin was his first head coaching job after graduation from Texas A & M. He is presently district manager

REV. R. I. STEWART
to open Revival

Assembly of God Revival Starts Oct. 16

The Rev. R. I. Stewart, Assembly of God evangelist from Houston, will open a revival at First Assembly of God Church here Wednesday, Oct. 16, at 7:30 p.m.

The Rev. Carl Amburn, pastor, in making the announcement of the revival, said that it would continue a week and a half. The public is invited, he said.

for Jefferson Standard Life Insurance Company in Bryan.

He says he is eager to come back to his "first home" and see the Pipers win again.

The Homecoming program is being dedicated in memory of Carl Forrest Greenway, a native of Hamlin, who became quite successful in the business and social life of New York City. He was general partner of New York's oldest investment firm and president of the Metropolitan Opera Club, a select New York group which supports the Metropolitan Opera when illness forced his retirement. He died Sept. 14 in California.

Rev. Grigg Is Ministerial Alliance Head

The Rev. C. G. "Buster" Grigg, pastor of Central Baptist Church, has been elected new president of the Hamlin Ministerial Alliance.

Other officers include Lynn Mink, music-education director of First Baptist Church, vice president; and the Rev. Carl Amburn, pastor of the First Assembly of God, secretary-treasurer.

Set Meeting

A Cub Scout meeting will be held tonight (Thursday) at the Jaycee Building at 7:00 o'clock.

James Wright, Cubmaster, urges all boys who would like to become Cub Scouts to come to this meeting with their parents.

NEW LIGHTS GO UP—Thorp Electric of Luling raised the four new light poles here Tuesday afternoon and tested them Tuesday evening. The four steel towers each have 24 quartz lights and tower 66 feet in the air. Work was underway Wednesday on removing the old lights and work was expected to be complete on adjusting the lights Wednesday evening. The lights will be used for the first time tonight (Thursday) for the Junior Varsity game here with Colorado City. (See more pictures inside)

MRS. GARY WILLIAM McMILLAN
... formerly Carla Dean Adair

Adair, McMillan Wedding Vows Exchanged Saturday

Carla Dean Adair, daughter of Mr. and Mrs. Glenn L. Adair, and Gary William McMillan, son of Mr. and Mrs. Clyde Huff were married at First United Methodist Church Saturday at 7:30 p.m.

The Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated.

Organist was Cynthia McMillan, sister of the bridegroom. Jeanie Ferguson of Waco was soloist and Keith Jackson and Dana Wright, both of Abilene, presented a duet.

Mrs. Cleon Warner, sister of the bride, was matron of honor.

Bridesmaids were Sheri Howerton, Mrs. Dwayne Weaver of Lubbock, Suzanne Wicker, cousin of the bride.

Presented in marriage by her father, the bride wore a gown of candlelight taffeta with bodice of Alencon lace fashioned with Victorian collar and long puffed sleeves accented with lace cuffs.

Attendants' empire gowns featured skirts of floral print in fall colors and bodices of brown, gold, red and blue. Each attendant carried mums to match the bodice of her dress.

Tonia Adair of Eastland, cousin of the bride, was flower girl. Casey Dean Warner, nephew of the bride was ring bearer.

Candle lighters were Deanna Clark of Eldorado and Janna Adair of Eastland, both cousins of the bride.

Bob McMillan of Lubbock was best man. Groomsman

were Mark Madden of Odessa, Jack Dan Lyerla of Eastland, cousin of the bridegroom, and Bryce Fowler of Lubbock.

Ushers were Cleon Warner, brother-in-law of the bride, and Billy Guy Lyerla of Eastland, cousin of the bridegroom.

The reception was hosted by the bride's parents in Fellowship Hall.

After a wedding trip to Ruidoso, N. M., the couple will be at home Oct. 10 at 301 N. W. Ave. J.

The bride, a spring graduate of Hamlin High School, will attend Western Texas College in January. She is recipient of a Continental Oil Company scholarship. She is presently employed by Farmers and Merchants National Bank.

The bridegroom is a graduate of Hamlin High School and attended Texas Tech University. He was recipient of the Ex-Student Association Scholarship. He is employed by Heidelberg's Department Store.

Mr. and Mrs. Huff hosted the rehearsal dinner at Cliff House in Stamford.

District President Speaks To Literary Club Friday

Mrs. John Berry of Clyde, president of Mesquite District, Texas Federation of Women's Clubs, used the theme of her two-year administration, "Friendship—The Golden Key," as her topic when she spoke to Woman's Literary Club here Friday. The meeting was the club's opening luncheon at Hamlin Restaurant.

Mrs. Berry opened her

remarks with Psalms 133:1. She used bits of poetry to emphasize her thoughts on friendship. She also urged members' concern for the very young and the old. She cited the need that these have for friendship. "Give of yourself," she added.

Mrs. Fred Smith, second vice president, was program director.

Mrs. L. H. McBride introduced the speaker. Mrs. L. O. Huges, president, presided and introduced Mrs. James Smith and Mrs. Irby Weaver as new members. Other new members not present were Mrs. B. V. Newberry and Miss Lola Milstead.

Yearbooks were distributed by Mrs. Smith. Others present were Mmes. Loyd Burkhardt, J. A. George, W. C. Westbrook, W. A. Castle, Arnold Griffin, R. D. Moore, Archie Carson, A. A. Hackley, Virgil Steele, A. B. Carlton and Bob Craig.

LVN Group Elects New Officers Here

Licensed Vocational Nurses Association Division No. 73 met at Hamlin Clinic for their monthly meeting and elected new officers.

Mrs. Fred Teichelman was elected president; Mrs. W. J. Scifres, first vice president; Mrs. R. W. Higdon, second vice president; and Mrs. W. R. Perryman, reporter; Mrs. Otha Brown and Mrs. Doc Neal were elected as new board members.

During the business meeting, the members discussed the convention in San Antonio, Oct. 23-26, and it was undecided who would accompany the president as a delegate.

Members present were Mmes. W. I. Goolsby, Arthur Penultima, W. R. Perryman, L. V. Miller, Beach Smith and Clifford Stuart.

Beta Theta Meets Here In Bonds Home

Beta Theta Chapter of Beta Sigma Phi met last Wednesday in the home of Mrs. Jim Bonds with Mrs. John Ferguson Jr., vice president, presiding.

Refreshments were served. Mrs. Ferguson presented a program on the "mechanics" of formal and informal entertaining. She displayed place settings for different occasions.

Other members present were Mmes. Rodger Bell, John Poe, Randy Brown, Johnny Jeffrey, Ken Prewitt, Sam Mack Hodges, O. H. Weaver Jr., Joe Cortez of Haskell, Joe D. Hymer, Gerald Young, Pat Willoughby, Freddie Hubbard and James Crowley.

District P-TA Sets Haskell Workshop

The eighteenth district Parent Teachers Association fall workshop will be held in Haskell, Tuesday Oct. 15, at the Presbyterian Church.

Registration will begin at 9 a.m. and there will be no registration fee.

Mrs. Preston Parker, district president, will call the meeting to order at 9:30 a.m. Mrs. Angus McDonald of Austin will speak on PTA membership. Mrs. McDonald is the state chairman of the state program committee.

After Mrs. McDonald's address, the assembly will divide into two discussion groups. One group will discuss "School Board, PTA, Administrators Working Together" led by Dr. Harold Brinson, superintendent of Abilene I.S.D. and Mrs. McDonald.

Group two will discuss "Educational Goals—Are Parents and the Schools the Same?" led by Mrs. Sylvia Moreland, district 18 vice president from Anson and Dr. Warren Alexander, Director of Planning and Development, Abilene ISD. The two groups will then change places.

At noon Lois Dunlap will be the speaker. Mr. Dunlap presents programs as Uncle Sam to many thousands of students, PTA groups and almost every kind of civic and service club and organization. Uncle Sam in Action is designed with a positive approach and its sole purpose is to teach and promote Americanism, patriotism and good citizenship to everyone.

Mrs. Sharer Hosts Baptist Women Mon.

Mrs. Herman E. Sharer was hostess for the Monday night meeting of the Baptist Women of First Baptist Church.

Mrs. A. F. Haight, Mrs. Melvin Scott and Mrs. Howard Jones gave the program on "It's Your Mission Picture."

Mrs. Scott gave the call to prayer and led the opening prayer.

Mrs. V. M. Wallace, Mrs. Bobby Stubblefield, Mrs. Andy Brown and Mrs. Sharer joined in the discussion of the program. Mrs. Brown led the closing prayer.

The members were served cake and cookies, coffee and Cokes.

The next meeting will be with Mrs. Brown.

Baby Shower Held for Mrs. Ponder Sat.

NEW FOOTBALL STADIUM LIGHTS—The four steel towers for the new football stadium lighting system arrived in Hamlin Tuesday afternoon and by Tuesday evening all four towers were assembled, raised, wired and turned on. The picture in upper left shows the four light brackets and the four towers as unloading begins. The first tower is spotted in place in

the picture at top right and at bottom right one of the towers is shown complete and ready to raise. Two winch trucks are used to raise the first tower in the bottom right photo. All of the wiring for the towers is underground and all four towers are mounted behind the stands. Thorp Electric of Luling is general contractor for the installation.

Zone Competition Set In Abilene for PP&K Winners

First place winners in the annual Punt, Pass and Kick contest held here Saturday afternoon will take part in Zone Competition to be held in Abilene Saturday morning. The contest will be held at Rose Park at 9 a.m.

First Adult Ed Classes Start Here Tonight

Persons interested in Vocational Adult Education classes are urged to attend an organizational meeting tonight (Thursday) at 7 p.m. in the high school cafeteria, according to Bob Hawes, superintendent.

Depending upon the interest shown, Hawes said that classes will be offered in typing, nurses aide, welding, general construction, auto and tractor mechanics and possibly radio and TV technicians.

The various vocational adult classes will be conducted by the Texas State Technical Institute of Sweetwater and Hawes said that no charge will be made for the classes.

If enough interest is shown, the classes will convene here Tuesday. Any interested adult who is 19 years of age or older and who wants to be trained or wants to upgrade his or her skills in one of the areas is eligible.

What classes will be taught here will be determined by the number of people signing up at the meeting here tonight, Hawes said.

Hamlin Industrial Foundation in their drive to raise at least \$50,000. S. C. Ferguson Jr., chairman said Monday that only a few contacts have been made by his committee but the results have been most gratifying.

Sponsored by the Industrial Committee of the Hamlin Board of Community Development, a group of local citizens met last week and started work on forming

Two Honored By National Publication

Gary Finley, vocational agriculture teacher, and John S. Watts, local attorney, have been selected as Outstanding Young Men of America for 1974.

Criteria for inclusion in the national awards publication are service to others, professional excellence, business advancement, charitable activities and civic and professional recognition. The young men chosen for this distinction are between the ages of 21 and 35.

Nominations are made by civic organizations, Jaycee chapters, college alumni associations and military commandants.

The 1974 edition is scheduled for publication and national distribution in November.

an Industrial Foundation for Hamlin.

Pat Willoughby, chairman of the BCD committee, said that the purpose of such a Foundation would be to help promote and attract new industry to Hamlin or to help enlarge existing industry.

During the meeting last week the group also voted to organize an Industrial Team to work with prospective new industries. Heading this committee is Loyd Burkhardt. Plans are being made for this committee or team to attend a training session to be conducted by the Texas Industrial Commission.

Ferguson said Monday that only a few local businesses

Harvey Dowell To Germany

PFC Harvey Glenn Dowell has been assigned to the 295th Aviation Co. (HH) Finthen AAF, Finthen, Germany.

PFC Dowell is the son of Mr. and Mrs. Harvey Dowell of McCaulley. A 1972 graduate of McCaulley High School, he entered the army in February, 1974, receiving his basic training at Ft. Polk, La.

Upon completion of his AIT in helicopter repair at Ft. Eustis, Va., PFC Dowell reported Sept. 2 for overseas duty. He is the grandson of Mrs. Lee Smart of 153 N. W. Ave. B, Hamlin.

have been contacted by his committee at this time and that he expects to really get the drive underway later this week. He said that later on he hoped that his committee could expand their drive and include an effort to secure pledges from interested individuals within the community.

The Hamlin Industrial Foundation, when chartered will be a non-profit corporation and pledges to the organization will be tax deductible. The group has set a goal of \$50,000 to be raised over a five-year period. Ferguson said that he expects that this figure will easily be exceeded if the first efforts of the committee are any indication of the communities' response to this drive.

Services Held Sunday for Mary Griffin

NEWS AND VIEWS...

And What Have You

Continued from page 1

But this was by no means the end of government interference and harassment of newspapers. They were goaded and annoyed by discriminatory taxation and other oppressive acts until the Declaration of Independence was adopted, the Revolutionary War fought, and the guarantees of free speech were written into the United States Constitution.

Attempts continue down to the present day to abridge or restrict the right of the press to report certain types of news, to comment freely on the government, or to criticize the

actions of public officials.

It is the absence of licensing that makes newspapers free. It is the absence of restraints — within responsibility — that defines freedom. That is the essential character of our political process, and the vigilance of newspapers in keeping taxpaying citizens fully informed is one of the primary factors in preserving and protecting individual freedom in our nation.

No, the "Press" and this includes both the printed word and the electronic word, is not always right, it is not perfect and it sometimes abuses its power, but it is still the only thing that stands between you and slavery. A democracy can not work without an informed public and it is only through a free press that the public can remain informed and alert.

32 SECONDS LEFT—

Late Rally Gives Pipers 17-13 Win Over Anson

The Pied Pipers made a last ditch scoring effort Friday night to win their district opener with the Anson Tigers, 17-13. The Pipers, trailing throughout the game, scored from the two-yard line on fourth down with 32 seconds on the scoreboard clock following a Tiger fumble six plays earlier.

The Tigers jumped to a six-point lead to open the district contest and led 13-3 at half-time before the Pipers could convert two fourth quarter fumbles into touchdowns for the win.

The Pipers moved inside the Tiger 20 six times during the contest, but could only manage a field goal and two touchdowns. In their first possession they drove to the four-yard line before two penalties set them back to the 19 from where Tracy Rowland kicked a 36-yard field goal. Both penalties nullified Piper touchdowns.

Late in the second quarter the Pipers made their way to the Tiger 13 before giving up the ball on downs back at the 17. Late in the third period the Pipers recovered a fumble on their own 20 to stop a Tiger drive and then moved to the Tiger seven before again giving up the ball on downs at the Anson nine.

The Pipers recovered another fumble on the Anson seven and scored four plays later with Fullback Steve Evans scoring from the one to cut the Tiger lead to 13-10 with 10:21 left in the game. A short punt gave the Pipers another scoring opportunity with the Pipers taking over at the Anson 26 but giving up the ball two plays later on their only fumble of the evening.

With time fast running out Lady Luck smiled on the Pipers again as Ricci Harugthy recovered a John Booker fumble on the Anson 33. It took the Pipers seven plays to go the 33 yards with Halfback Johnny Jones scoring on fourth down from the two.

Jones was the night's leading carrier with 192 yards in 31 carries for an average of 6.2 per try. Leading the Anson ball carriers was Jack Moreland with 128 yards in 12 trips. Booker had 96 yards in 16 carries for the Tigers. Evans, returning to the Piper lineup for the first time since the Haskell game, carried 15 times for 63 yards.

Hamlin kicked off to open the contest with Eddie Graham returning it for the Tigers to the Anson 47. On second down Moreland broke loose for 28 yards and a first down at the Hamlin 18. On third and seven, Booker carried to the eight for another first down. Quarterback Watts carried three times for three, four and one for the score. Watts' point after try into the wind was short.

Robert Phariss returned the kickoff to the Hamlin 25 for the Piper's first opportunity with the ball. On the first play Jones ripped off 31

yards to the Anson 44 and then Jones and Phariss combined to give the Pipers a fourth and one from the 35 with Jones carrying for 12 yards and the first down. The Tigers drew a penalty to the 11-yard line but on the next play a Phariss touchdown run was called back for offside. With the ball back on the 16, Evans carried for 10 and one and then Jones carried into the endzone only to have a 15-yard penalty put the ball back on the 19.

On third down Rowland's pass to Oscar Marshall was dropped in the end zone and Rowland kicked a 36-yard field goal on fourth down.

The Pipers contained the Tigers following the kickoff with the Tigers getting off a 12-yard punt into the wind. Starting on their own 48, the Pipers moved to the Anson 36 before stalling out with Rowland trying a 53-yard field goal that rolled out of bounds on the Tiger one-foot line.

Starting from their own one, the Tigers picked up six first downs as they drove the length of the field to put their second touchdown on the board. The score came on a 33-yard run by Booker and Watts kicked the point after.

Following the kickoff, the Pipers started from their own 37 and picked up first downs at the 48, 38, 28 and 17 before losing momentum and giving up the ball on the 17. Four plays later the Tigers punted and the Pipers got off one play before the half.

The Pipers took the second half kickoff and Evans broke loose for 23 yards from his own 15 to the 38, but again the Pipers failed to keep a drive going and were forced to punt.

The Tigers took over on their own 37 and picked up first downs at their 47 and at the Hamlin 39- and 20-yard lines. But at this point the Tigers coughed up their first of three fumbles during the second half with Delbert Thompson recovering and the Pipers took over on their own 20.

In three plays the Pipers picked up nine yards and on fourth down Jones got the first down at the 33. Jones then broke loose for 33 yards on first down for another first down at the Anson 35. Phariss carried twice for nine yards and then Evans picked up the first down at the 24. Evans added three and then Jones picked up 10 for a first down at the 11. Phariss could get only one, Evans three and then Jones was dropped for a two-yard loss at the nine. A fourth down pass into the

endzone from Rowland to William Brown was incomplete and the Tigers took over at the nine.

Russell May recovered a fumble by Booker back on the seven to give the Pipers another shot at the goal line. On the first play, Jones was dropped for a three-yard loss back to the 10. On the next play he ran to the right and carrying tackles with him down the sideline was ruled out of bounds inside the one. Evans failed to get into the endzone on third down but carried over left guard on fourth down for the score. Rowland's point after closed the Tiger lead to 13-10 with 10:21 left in the game.

Following the kickoff the Tigers moved from their own 29 to the Hamlin 40 in five plays before Jones picked off a Watts pass and returned it past mid-field. A clipping penalty on the return moved the ball back to the Hamlin 31 and the Pipers failed to make a first and had to punt.

The Tigers drew a penalty on the punt return and started play back on their own 13. Four plays later the Tigers were forced to punt into the wind from the 19. The ball took a Piper bounce and the Pipers took over on the 26. Jones carried for five yards but then mishandled a pitch and the Tigers took over again on their own 20.

Moreland carried for 30 yards to midfield before a 15-yard penalty put the Tigers back on the 36. Eddie Rivera stopped a screen pass from Watts to Booker for a three-yard loss and then Watts threw an incomplete pass on second down. Facing third and 13, Booker fumbled with Harugthy recovering it on the 33.

Jones carries for 13 yards for the Pipers and then got five more before Phariss ripped off 10 to the Anson five. Jones was stopped on one and then was held for no gain, Evans carried for two and then Jones bulled his way over right tackle for the winning touchdown. Rowland added the point after to give the Pipers a 17-13 lead with 32 seconds left.

Anson returned the kick off back to their 43 and Watts had one pass go incomplete before connecting with Danny Jackson at the Hamlin 40. With 21 seconds left on the clock the Tigers gave the ball to Booker who ran to his left and then when hemmed up reversed his field. The play was blown dead at this point when an official apparently thought he had gone out of bounds. With one second left, the clock was started and the Tigers could not get off another play.

emblem rating for the third consecutive year.

Chapter members Gary Lain and Guy Turner along with chapter advisor Milburn Wink are planning to attend the convention and receive the award for the chapter. They will be the guests of Farmland Industries at an honor luncheon honoring all gold emblem chapters in the nation Thursday. Last year the Hamlin Chapter was one of 103 chapters to receive the gold emblem award. There are approximately eight thousand chapters in the nation.

Gary and Guy were selected to attend the Oct. 15-18 national convention. FFA members Kayla Mehaffey and Tracy Gregory are alternates and will attend in case Gary and Guy are unable to attend.

The Hamlin group will leave for Kansas City early Tuesday morning and arrive at the Convention in time to participate in opening activities of the convention Tuesday night. Wednesday will be spent attending convention sessions, touring the Kansas City area, attending the Agriculture Career Show, and listening to the finals of the National FFA Public Speaking Contest. Thursday highlights of the convention will be the presentation of the National FFA Foundation Awards, conferring the Honorary American Farmer Degree, conferring the American Farmer Degree, a FFA Talent Show, and the 1974 "Stars Over America" Pageant. Friday will be spent at the convention and attending the American Royal Livestock and Horse Show. The group will return to Hamlin Saturday.

(Get a checkup before Winter)

Right now your heating serviceman can easily work your call into his schedule and get your unit ready to deliver dependable heating through the winter ahead.

We know that many people wait until cold weather is here to install electric heating or have their units serviced. Later on, your dealer or serviceman may have a waiting list.

WTU wants you to get the greatest value from your electric service. One way we can help is to remind you to get the jump on winter by calling your serviceman early.

HEAR STORY OF PIED PIPER—Children attending the Thursday afternoon story hour at Harden Memorial Library hear Jamie Jones read the story of the Pied Piper of Hamelin, a German legend of a stranger who rid Hamelin Town in Brunswick of rats by playing his pipe; when the townsfolk refused to reward him, he piped their children away. Jamie, an eighth grade student, will play the flute and lead the "Little Pipers" in the 10:30 a.m. parade Saturday.

Church At Funston Sets Anniversary

Bethel Baptist Church at Funston will celebrate its 90th anniversary, Sunday, Oct. 13, with activities throughout the day.

The service will begin at 10 a.m. with the Rev. Melvin Clinton of Turkey, Tx., as the speaker. Rev. Clyde R. Campbell of Kerns will also speak during the morning.

Dinner, furnished by the church will be served at noon by the ladies.

The Rev. Robert C. Frey, pastor, will read the history of the church at the 1:30 p.m. assembly. The Rev. J. H. Skiles of Stamford, the Rev. R. D. Harris of Beeville's Children's Home, and the Rev. Harry Tom Morton pastor of Pumphrey Baptist Church, will participate in the program.

All past members and former pastors are invited. Fellowship and singing will be included in the all day event which will be concluded after the 1:30 p.m. program.

RICKEY GRUBEN

... due highest degree

Rickey Gruben To Receive FFA Degree

Rickey Gruben, Hamlin FFA member, will receive his American Farmer Degree at the National FFA Convention Oct. 17 in Kansas City, Mo. The American Farmer Degree is the highest degree conferred upon members by the National FFA Organization. Only one member out of every thousand receives the American Farmer Degree.

Rickey is the son of Mr. and Mrs. Dick Gruben of the Royston community. He is currently attending Tarleton State University as an agriculture major.

While attending Hamlin High School, Rickey was active in all phases of FFA work. He competed four years in leadership and judging contests, exhibited livestock at various stock shows, competed in the National FFA Foundation Awards program (he won four area awards and one state award), held chapter offices, and attended many area, state, and national FFA meetings and conventions. Rickey has in operation an outstanding supervised farming program. He raised beef cattle, cotton, wheat and milo.

Rickey's parents are planning to attend the convention also.

FFA Taking Orders for Citrus Fruit

The Hamlin FFA Chapter has begun its annual citrus fruit sale. Chapter members will be selling oranges and grapefruit from now until Nov. 18. The cost of the fruit this year is \$6.50 per 40-pound box or \$3.50 for a half of box. The fruit may be bought as oranges, grapefruit, or mixed half and half.

The fruit will be top quality fruit and will be delivered sometime between Dec. 2 and Dec. 10.

All FFA members are selling the fruit. However, those that are not contacted and wish to order some, may call Milburn Wink at 576-3579 or Gary Finley at 576-3787 to place orders.

Rotary Club To Host Dist. Governor

Dr. W. O. (Bill) Trogon of Stephenville, Governor of Rotary District, will speak to the local Rotary club Wednesday at the noon meeting at the Oil Mill Guest House.

Dr. Trogon, president of Tarleton State University, has been a member of the Stephenville Rotary Club since 1966 and has served as president, board member and committee chairman of various projects.

In his visit here he will outline opportunities of service and obtain information on the group's plans for its service activities and offer suggestions on Rotary administrative matters.

He will address the club and confer with Edward Gardner, president.

Gary Carson Gets Degree From Tech

Gary Carson, a 1970 graduate of Hamlin High School, was among the August graduates of Texas Tech University in Lubbock.

He received a Bachelor of Arts degree in advertising and is currently employed in the advertising department of Furr's, Inc. in Lubbock.

He is a member of ADS-AAF, the student branch of American Advertising Federation.

LETTER TO EDITOR

Dear Editor:

I would like to thank the people of Hamlin for their courtesy in receiving the volunteer workers for the National Cystic Fibrosis Campaign and their willingness in giving whatever they could.

I appreciate the workers who gave of their time to work for the campaign in inclement weather.

The money received will aid in research or help some child have a longer and better life.

Sincerely,
Mrs. Fred Smith

hhs

The Student Council met Monday night and discussed plans for upcoming activities. The members decorated the halls and rooms of HHS in green and white and painted the run-through sign for the game.

hhs

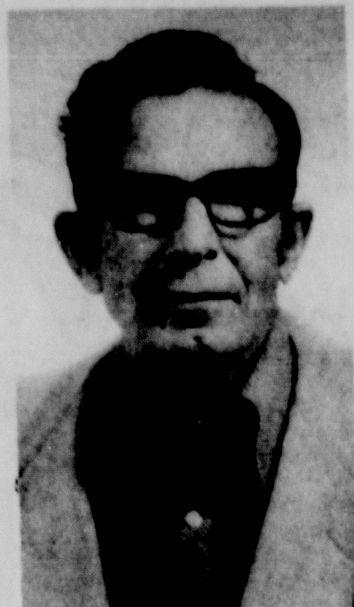

The main attraction of the homecoming week will be the football game Friday night. The Pipers will be meeting the Winters Blizzards in their second district game. Halftime activities will include the presentation of the Homecoming Queen elected by the student body. Queen nominees are Sonja Williams, Rebecca Server, Cheryl Lewis and Kimi Mehaffey.

hhs

The Pep Rally will be held Friday morning at 8:20 and all exes and townspeople are invited to attend.

hhs

A bonfire will be held Thursday night at the track, following the junior varsity football game. Come and support the Pipers.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

I had to attend a meeting in Lubbock Sunday and on the way back Sunday afternoon I came across a rather strange sight. A Slaton car dealer has his building out on the highway that by passed the town and like most car dealers he has a used car lot as part of his business.

Now I am used to seeing lots of things on car lots besides cars and trucks—boats, travel trailers, motor homes and even motorcycles—but this one topped them all.

Located on the lot among the cars and trucks were three airplanes. And yes, I checked, the lot does not adjoin the airport, in fact the Slaton airport is halfway to Lubbock.

This is National Newspaper Week and the reason this was brought to mind was the fact that I had to make a talk to the high school civics class on Freedom of the Press. As I pointed out to the class this is also "National Spanish Green Olive Week," but I decided to let somebody else discuss that subject.

Since this is National Newspaper Week and the role of the newspaper becomes more and more complicated in this fast changing world we live in, I thought that it might be well to devote a little time and space to this important subject. We all, at one time or another, have criticized the press either for too much coverage or not enough and fortunately for the press, the most vocal of these criticisms often comes from the press itself.

Americans today take freedom of the press for granted and seldom stop to examine its meaning or appraise its value. Knowing the origin and development of press freedom may help understand why American civilization must have a free press or die.

Few persons in ancient times could read or write. They were dominated by leaders who, backed by prophets and priests, proclaimed their god given right to rule and perpetuate their rule. Freedom of expression in politics and religion was suppressed. Until printing presses started spreading ideas, there was no means of mass communication. The world hasn't been the same since.

It was 250 years after Gutenberg developed the printing press that licensing of printers and newspapers was abandoned in England. Efforts to muffle and muzzle the press continued for still another 100 years, but with decreasing success as people realized how closely their freedom was linked with a free press.

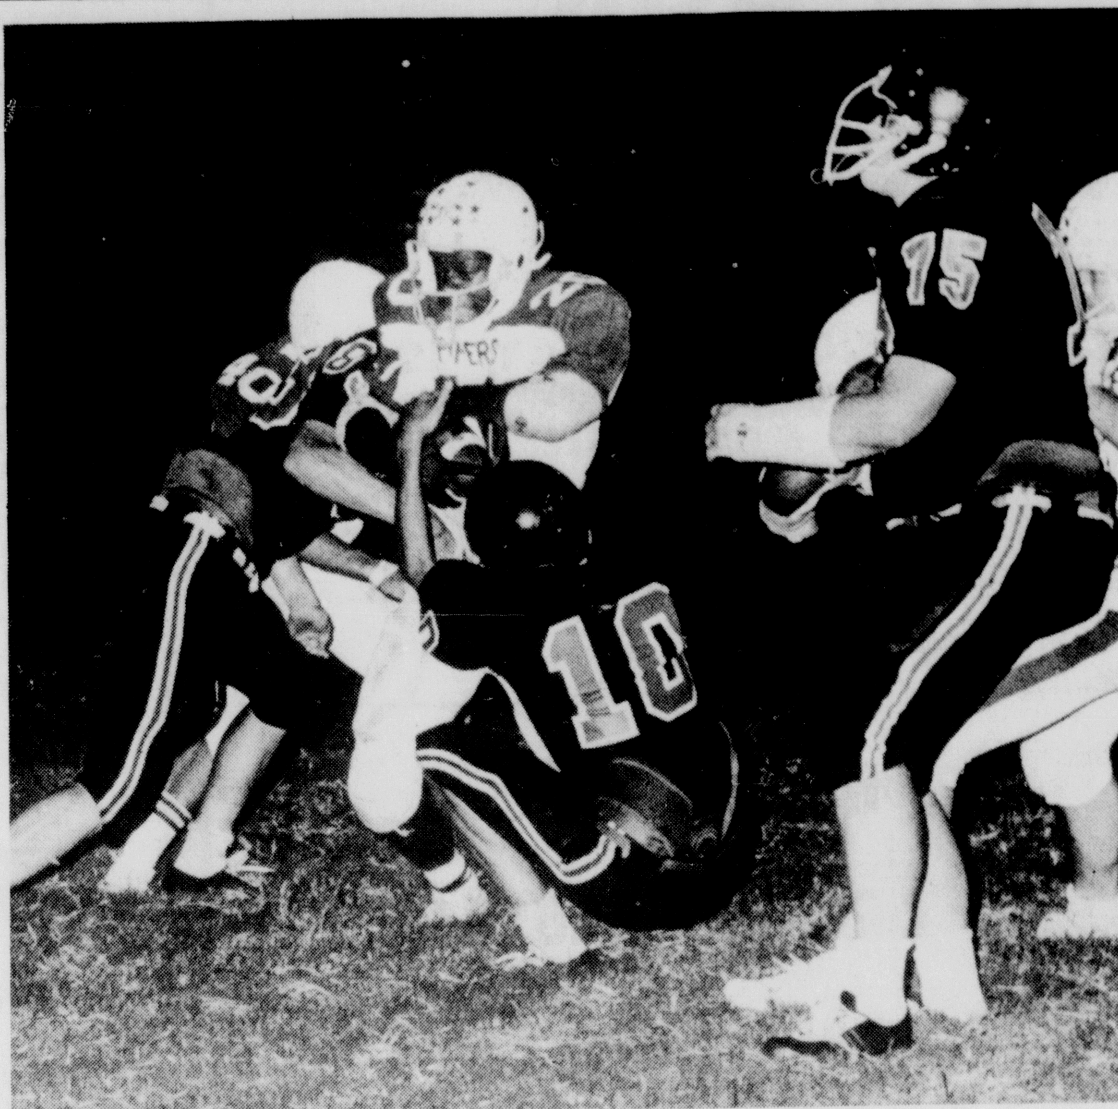

Church and state leaders in the American colonies disapproved of freedom of thought and expression, believing control of the press essential to preserve public morality and maintain constituted authority. So, when newspapers first appeared, they were promptly suppressed or licensed and heavily censored.

Early American patriots would have been unable to marshal public opinion and spread the news of their actions without the printers and publishers who risked imprisonment and bankruptcy to criticize the colonial government and agitate for independence.

Historian David Ramsey said, "In establishing American independence, the pen and the press had a merit equal to that of the sword."

The first significant victory for freedom of the press in America was won in court in 1735 by John Peter Zenger against a libel charge. It established the right of the press to publish news or criticism of government officials, if the facts published were true.

WINNING TOUCHDOWN—Johnny Jones (20) breaks loose from two Anson wouldbe tacklers and goes into the end zone standing up for the winning score in Anson Friday night. The touchdown and the extra point that followed gave the Pipers a 17-13 victory in their first district outing. The score came with 32 seconds left on the clock and was set up by a fumble recovery on the Anson 33-yard line. (Photo by Tim Jones)

Pipers to Host Winters In Homecoming Battle

The Pied Pipers will host the Winters Blizzards here Friday night in a Homecoming battle for Hamlin Exes. It will be the second district contest for both teams with the kickoff set for 7:30.

The Pipers won their district opener last week with a come-from-behind touchdown in the waning seconds to defeat Anson, 17-13, while Winters lost to Ballinger in the final minutes of their game, 15-13. Both teams have 4-1 season records with Hamlin losing earlier to Clyde.

The only common opponent the two teams have played this year is Clyde with Winters handing the Bulldogs their only defeat of the season in the opener for both teams.

In other district 6-AA action, Anson will travel to Coahoma and Stamford will play Colorado City. Ballinger is idle. In the other district game played last week, Coahoma defeated Colorado City, 35-12.

Scouting reports on the Blizzards compare the team favorably with Anson with Winters sporting a strong defense that has given up only 37 points this season, the stingiest of any team in the district. The Blizzards have scored 83 points during these five games to give them their 4-1 record. The Pipers on the otherhand have scored 148 points and have given up 47.

The Blizzards operate from the "I-Slot" formation with Benji Alldredge, 153-pound senior, leading their attack from his quarterback position. Although the senior quarterback throws well, the Blizzards rely mostly on their running game. Leading the running attack is Fullback Ricky DeLaCruz, 181-pound senior, who runs hard and is a good blocker for his running mates.

Running at tailback and slotback, depending on whether the formation is set to the right or left, will be Tony Johnson, 178-pound sophomore, and Johnny Ray

Liggins, 171-pound senior.

At split end will be Jimmy McNeill, 171-pound senior, and at tight end will be Mike Moore, 187-pound senior. The two tackles will be Mike Myer, 191-pound senior, and Glen Colburn, 213-pound senior and the guards will be Donald Rogers, 162-pound senior, and David McAdoo, 186-pound senior. At center will be Perry Poe, 185-pound senior.

On defense the Blizzards run the same type defense that the Anson Tigers ran against the Pipers last week.

Absentee Voting Now Underway

Absentee voting is now underway on the \$120,000 bond election called by the Hamlin Independent School District for the purpose of building an all-weather track and improving the football stadium. The absentee voting continues through Tuesday, Oct. 15, with the election set for Saturday, Oct. 19.

Jane Murphree is absentee clerk and ballots are available at her office at the high school.

Included in the \$120,000 bond issue is the new lighting system currently being installed at the football stadium which is expected to be used this weekend. Other projects include an eight-lane Resolute track to be located where the present track is located, all of the additional equipment required for the track, a 650-seat track stadium, five additional acres of land west of the track field, and new aluminum seating for the home football stands.

Based on present values of the School District, the \$120,000 bond issue would cost the taxpayers an additional seven cents per \$100 valuation. This would be just under a five percent increase in taxes.

Mr. and Mrs. Monroe Tabb visited in the home of their son and family, Mr. and Mrs. Monroe E. Tabb in McCamey over the weekend. They attended the football game between McCamey and Van Horn. Their grandson Eric was on the McCamey team. On Saturday they celebrated Eric's 18th birthday.

Bonfire Tonight to Open Homecoming Activities

A bonfire at the stadium after the Junior Varsity football game here tonight (Thursday) and a Pep Rally at 8:20 a.m. Friday will herald the opening of the 20th Hamlin School Homecoming this weekend.

Other activities include the game with Winters at 7:30 p.m. preceded by a chili supper in the high school cafeteria beginning at 5 p.m.

A cake and pie auction will be held at the after-game coffee in the cafeteria with Charlie Sellers as the auctioneer.

Saturday morning the downtown parade will assemble at 9:45 at the football field. Bike riders should be in front of the high school at this time. The Little Pipers are to meet at the northeast corner of the Methodist parking lot at 10:15.

The parade should reach downtown by 10:30 led by the Hamlin High School Marching Green.

The theme of the parade will be "Remember When." The route will be north from the football field on Southwest Ave. F to West Lake Drive, east to Central, south on Central to Harden Hotel where the procession will reverse and return to the high school.

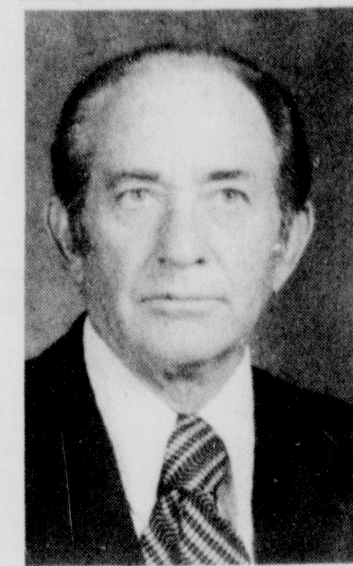

Prizes will be awarded for first three places in two divisions, school and businesses and clubs, and in two categories, beauty and open. A theme prize will also be presented. Three prizes will be given for best decorated bicycles. Prizes will be awarded at the 1 p.m.

business meeting in the cafeteria.

The noon luncheon will be served in the cafeteria from 11 a.m. to 1 p.m.

Jesse (Red) Burditt, head coach here from 1948 to 1952, will be the speaker during the program.

Hamlin was his first head coaching job after graduation from Texas A & M. He is presently district manager

REV. R. I. STEWART
... to open Revival

Assembly of God Revival Starts Oct. 16

The Rev. R. I. Stewart, Assembly of God evangelist from Houston, will open a revival at First Assembly of God Church here Wednesday, Oct. 16, at 7:30 p.m.

The Rev. Carl Amburn, pastor, in making the announcement of the revival, said that it would continue a week and a half. The public is invited, he said.

for Jefferson Standard Life Insurance Company in Bryan.

He says he is eager to come back to his "first home" and see the Pipers win again.

The Homecoming program is being dedicated in memory of Carl Forrest Greenway, a native of Hamlin, who became quite successful in the business and social life of New York City. He was general partner of New York's oldest investment firm and president of the Metropolitan Opera Club, a select New York group which supports the Metropolitan Opera when illness forced his retirement. He died Sept. 14 in California.

Rev. Grigg Is Ministerial Alliance Head

The Rev. C. G. "Buster" Grigg, pastor of Central Baptist Church, has been elected new president of the Hamlin Ministerial Alliance.

Other officers include Lynn Mink, music-education director of First Baptist Church, vice president; and the Rev. Carl Amburn, pastor of the First Assembly of God, secretary-treasurer.

Set Meeting

A Cub Scout meeting will be held tonight (Thursday) at the Jaycee Building at 7:00 o'clock.

James Wright, Cubmaster, urges all boys who would like to become Cub Scouts to come to this meeting with their parents.

NEW LIGHTS GO UP—Thorp Electric of Luling raised the four new light poles here Tuesday afternoon and tested them Tuesday evening. The four steel towers each have 24 quartz lights and tower 66 feet in the air. Work was underway Wednesday on removing the old lights and work was expected to be complete on adjusting the lights Wednesday evening. The lights will be used for the first time tonight (Thursday) for the Junior Varsity game here with Colorado City. (See more pictures inside)

MRS. GARY WILLIAM McMILLAN
...formerly Carla Dean Adair

Adair, McMillan Wedding Vows Exchanged Saturday

Carla Dean Adair, daughter of Mr. and Mrs. Glenn L. Adair, and Gary William McMillan, son of Mr. and Mrs. Clyde Huff were married at First United Methodist Church Saturday at 7:30 p.m.

The Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated.

Organist was Cynthia McMillan, sister of the bridegroom. Jeanie Ferguson of Waco was soloist and Keith Jackson and Dana Wright, both of Abilene, presented a duet.

Mrs. Cleon Warner, sister of the bride, was matron of honor.

Bridesmaids were Sheri Howerton, Mrs. Dwayne Weaver of Lubbock, Suzanne Wicker, cousin of the bride.

Presented in marriage by her father, the bride wore a gown of candlelight taffeta with bodice of Alencon lace fashioned with Victorian collar and long puffed sleeves accented with lace cuffs.

Attendants' empire gowns featured skirts of floral print in fall colors and bodices of brown, gold, red and blue. Each attendant carried mums to match the bodice of her dress.

Tonia Adair of Eastland, cousin of the bride, was flower girl. Casey Dean Warner, nephew of the bride was ring bearer.

Candle lighters were Deanna Clark of Eldorado and Janna Adair of Eastland, both cousins of the bride.

Bob McMillan of Lubbock was best man. Groomsmen

were Mark Madden of Odessa, Jack Dan Lyerla of Eastland, cousin of the bridegroom, and Bryce Fowler of Lubbock.

Ushers were Cleon Warner, brother-in-law of the bride, and Billy Guy Lyerla of Eastland, cousin of the bridegroom.

The reception was hosted by the bride's parents in Fellowship Hall.

After a wedding trip to Ruidoso, N. M., the couple will be at home Oct. 10 at 301 N. W. Ave. J.

The bride, a spring graduate of Hamlin High School, will attend Western Texas College in January. She is recipient of a Continental Oil Company scholarship. She is presently employed by Farmers and Merchants National Bank.

The bridegroom is a graduate of Hamlin High School and attended Texas Tech University. He was recipient of the Ex-Student Association Scholarship. He is employed by Heidelberg's Department Store.

Mr. and Mrs. Huff hosted the rehearsal dinner at Cliff House in Stamford.

FHA to Meet

NEWS FROM

McCAULLEY

By MRS. FRED KEMP

McCauley Eagles lost their game this week to the Paint Creek Pirates. They will travel tonight (Thursday) to Lueders-Avoca for this week's game. Quarterback Ronnie Williams is still on the injury list. We hope for better luck in this game.

Mr. and Mrs. Murl Williams of Big Spring visited in the Roy Williams home last week.

Junior High lost their game this week to Trent. This week they go to Highland. Even though they lost the game the boys showed much improvement since their previous game.

Pvt. Bobby Morris of Ft. Leonard Wood, Mo., is on leave and visiting in the home of his parents, Mr. and Mrs. Paul Morris. Also visiting in the Morris home was their daughter Mrs. Paulette McKinney of Lubbock.

Mr. and Mrs. Larry Smart and Jamie of Lometa visited in the home of Mr. and Mrs. James Smart this weekend.

Mr. and Mrs. Dennis Deen of Roby were visitors in the home of Mr. and Mrs. Bill Vaughn this weekend.

Eddie Gibson, sophomore at Tarleton State University, spent the weekend in the community visiting the James Smart family and his parents Mr. and Mrs. Buddie Gibson.

Recent visitors in the home of Mr. and Mrs. Gene Scott were her brother and his wife, Mr. and Mrs. John Miller of Heabner, Okla.; her sister, Mrs. Alice Cole of Bakersfield, Calif.; and Mrs. Scott's sister and Mr. Scott's brother, Mr. and Mrs. J. T. Scott, also of Bakersfield. Other guests were their son and his wife, Mr. and Mrs. Melvin Scott and her son, Stanley Scott, a student at North Texas State University in Denton.

Patricia, Mrs. Hattie Green, Mrs. Evelyn May, Mrs. Janie Bessire, all of Hamlin, and Mrs. Laverne Miller, Dennis and Darrell of Abilene.

Membership In P-TA Up

Mrs. Garnet Waggoner, chairman of the 1974 membership drive for Parent-Teachers Association, has announced that 432 persons have joined the PTA. This is a 25 percent increase over last year which was also an increase, she said.

Students in the second grade class taught by Mrs. Leldon Clifton won first place in the primary building and also won the 100 percent award and will have a tree planted on the school play ground for this accomplishment. The second place winner in the primary building was Mrs. A. I. Simon's kindergarten class.

Elementary winners were Mrs. Gene Prewit's room, first and Mrs. Jimmy Hastings' room, second.

First Adult Ed Classes Start Here Tonight

Persons interested in Vocational Adult Education classes are urged to attend an organizational meeting tonight (Thursday) at 7 p.m. in the high school cafeteria, according to Bob Hawes, superintendent.

Depending upon the interest shown, Hawes said that classes will be offered in typing, nurses aide, welding, general construction, auto and tractor mechanics and possibly radio and TV technicians.

The various vocational adult classes will be conducted by the Texas State Technical Institute of Sweetwater and Hawes said that no charge will be made for the classes.

If enough interest is shown, the classes will convene here Tuesday. Any interested adult who is 19 years of age or older and who wants to be trained or wants to upgrade his or her skills in one of the areas is eligible.

What classes will be taught here will be determined by the number of people signing up at the meeting here tonight, Hawes said.

Hamlin Industrial Foundation in their drive to raise at least \$50,000. S. C. Ferguson Jr., chairman said Monday that only a few contacts have been made by his committee but the results have been most gratifying.

Sponsored by the Industrial Committee of the Hamlin Board of Community Development, a group of local citizens met last week and started work on forming

Two Honored By National Publication

Gary Finley, vocational agriculture teacher, and John S. Watts, local attorney, have been selected as Outstanding Young Men of America for 1974.

Criteria for inclusion in the national awards publication are service to others, professional excellence, business advancement, charitable activities and civic and professional recognition. The young men chosen for this distinction are between the ages of 21 and 35.

Nominations are made by civic organizations, Jaycee chapters, college alumni associations and military commandants.

The 1974 edition is scheduled for publication and national distribution in November.

an Industrial Foundation for Hamlin.

Pat Willoughby, chairman of the BCD committee, said that the purpose of such a Foundation would be to help promote and attract new industry to Hamlin or to help enlarge existing industry.

During the meeting last week the group also voted to organize an Industrial Team to work with prospective new industries. Heading this committee is Loyd Burkhart. Plans are being made for this committee or team to attend a training session to be conducted by the Texas Industrial Commission.

Ferguson said Monday that only a few local businesses

Harvey Dowell To Germany

PFC Harvey Glenn Dowell has been assigned to the 295th Aviation Co. (HH) Finthen AAF, Finthen, Germany.

PFC Dowell is the son of Mr. and Mrs. Harvey Dowell of McCaulley. A 1972 graduate of McCaulley High School, he entered the army in February, 1974, receiving his basic training at Ft. Polk, La.

NEWS AND VIEWS...

And What Have You

Continued from page 1

But this was by no means the end of government interference and harassment of newspapers. They were goaded and annoyed by discriminatory taxation and other oppressive acts until the Declaration of Independence was adopted, and the guarantees of free speech were written into the United States Constitution.

Attempts continue down to the present day to abridge or restrict the right of the press to report certain types of news, to comment freely on the government, or to criticize the

actions of public officials.

It is the absence of licensing that makes newspapers free. It is the absence of restraints — within responsibility — that defines freedom. That is the essential character of our political process, and the vigilance of newspapers in keeping taxpayers citizens fully informed is one of the primary factors in preserving and protecting individual freedom in our nation.

No, the "Press" and this includes both the printed word and the electronic word, is not always right, it is not perfect and it sometimes abuses its power, but it is still the only thing that stands between you and slavery. A democracy can not work without an informed public and it is only through a free press that the public can remain informed and alert.

32 SECONDS LEFT—

Late Rally Gives Pipers 17-13 Win Over Anson

The Pied Pipers made a last ditch scoring effort Friday night to win their district opener with the Anson Tigers, 17-13. The Pipers, trailing throughout the game, scored from the two-yard line on fourth down with 32 seconds on the scoreboard clock following a Tiger fumble six plays earlier.

The Tigers jumped to a six-point lead to open the district contest and led 13-3 at half-time before the Pipers could convert two fourth quarter fumbles into touchdowns for the win.

The Pipers moved inside the Tiger 20 six times during the contest, but could only manage a field goal and two touchdowns. In their first possession they drove to the four-yard line before two penalties set them back to the 19 from where Tracy Rowland kicked a 36-yard field goal. Both penalties nullified Piper touchdowns.

Late in the second quarter the Pipers made their way to the Tiger 13 before giving up the ball on downs back at the 17. Late in the third period the Pipers recovered a fumble on their own 20 to stop a Tiger drive and then moved to the Tiger seven before again giving up the ball on downs at the Anson nine.

The Pipers recovered another fumble on the Anson seven and scored four plays later with Fullback Steve Evans scoring from the one to cut the Tiger lead to 13-10 with 10:21 left in the game. A short punt gave the Pipers another scoring opportunity with the Pipers taking over at the Anson 26 but giving up the ball two plays later on their only fumble of the evening.

With time fast running out Lady Luck smiled on the Pipers again as Ricci Harugthy recovered a John Booker fumble on the Anson 33. It took the Pipers seven plays to go the 33 yards with Halfback Johnny Jones scoring on fourth down from the two.

Jones was the night's leading carrier with 192 yards in 31 carries for an average of 6.2 per try. Leading the Anson ball carriers was Jack Moreland with 128 yards in 12 trips. Booker had 96 yards in 16 carries for the Tigers. Evans, returning to the Piper lineup for the first time since the Haskell game, carried 15 times for 63 yards.

Hamlin kicked off to open the contest with Eddie Graham returning it for the Tigers to the Anson 47. On second down Moreland broke loose for 28 yards and a first down at the Hamlin 18. On third and seven, Booker carried to the eight for another first down. Quarterback Watts carried three times for three, four and one for the score. Watts' point after try into the wind was short.

Robert Phariss returned the kickoff to the Hamlin 25 for the Piper's first opportunity with the ball. On the first play Jones ripped off 31

yards to the Anson 44 and then Jones and Phariss combined to give the Pipers a fourth and one from the 35 with Jones carrying for 12 yards and the first down. The Tigers drew a penalty to the 11-yard line but on the next play a Phariss touchdown run was called back for offside. With the ball back on the 16, Evans carried for 10 and one and then Jones carried into the endzone only to have a 15-yard penalty put the ball back on the 19.

On third down Rowland's pass to Oscar Marshall was dropped in the end zone and Rowland kicked a 36-yard field goal on fourth down.

The Pipers contained the Tigers following the kickoff with the Tigers getting off a 12-yard punt into the wind. Starting on their own 48, the Pipers moved to the Anson 36 before stalling out with Rowland trying a 53-yard field goal that rolled out of bounds on the Tiger one-foot line.

Starting from their own one, the Tigers picked up six first downs as they drove the length of the field to put their second touchdown on the board. The score came on a 33-yard run by Booker and Watts kicked the point after.

Following the kickoff, the Pipers started from their own 37 and picked up first downs at the 48, 38, 28 and 17 before losing momentum and giving up the ball on the 17. Four plays later the Tigers punted and the Pipers got off one play before the half.

The Pipers took the second half kickoff and Evans broke loose for 23 yards from his own 15 to the 38, but again the Pipers failed to keep a drive going and were forced to punt.

The Tigers took over on their own 37 and picked up first downs at their 47 and at the Hamlin 39- and 20-yard lines. But at this point the Tigers coughed up their first of three fumbles during the second half with Delbert Thompson recovering and the Pipers took over on their own 20.

In three plays the Pipers picked up nine yards and on fourth down Jones got the first down at the 33. Jones then broke loose for 33 yards on first down for another first down at the Anson 35. Phariss carried twice for nine yards and then Evans picked up the first down at the 24. Evans added three and then Jones picked up 10 for a first down at the 11. Phariss could get only one, Evans three and then Jones was dropped for a two-yard loss at the nine. A fourth down pass into the

endzone from Rowland to William Brown was incomplete and the Tigers took over at the nine.

Russell May recovered a fumble by Booker back on the seven to give the Pipers another shot at the goal line. On the first play, Jones was dropped for a three-yard loss back to the 10. On the next play he ran to the right and carrying tackles with him down the sideline was ruled out of bounds inside the one. Evans failed to get into the endzone on third down but carried over left guard on fourth down for the score. Rowland's point after closed the Tiger lead to 13-10 with 10:21 left in the game.

Following the kickoff the Tigers moved from their own 29 to the Hamlin 40 in five plays before Jones picked off a Watts pass and returned it past mid-field. A clipping penalty on the return moved the ball back to the Hamlin 31 and the Pipers failed to make a first and had to punt.

The Tigers drew a penalty on the punt return and started play back on their own 13. Four plays later the Tigers were forced to punt into the wind from the 19. The ball took a Piper bounce and the Pipers took over on the 26. Jones carried for five yards but then mishandled a pitch and the Tigers took over again on their own 20.

Moreland carried for 30 yards to midfield before a 15-yard penalty put the Tigers back on the 36. Eddie Rivera stopped a screen pass from Watts to Booker for a three-yard loss and then Watts threw an incomplete pass on second down. Facing third and 13, Booker fumbled with Harugthy recovering it on the 33.

Jones carries for 13 yards for the Pipers and then got five more before Phariss ripped off 10 to the Anson five. Jones was stopped on one and then was held for no gain, Evans carried for two and then Jones bulled his way over right tackle for the winning touchdown. Rowland added the point after to give the Pipers a 17-13 lead with 32 seconds left.

Anson returned the kick off back to their 43 and Watts had one pass go incomplete before connecting with Danny Jackson at the Hamlin 40. With 21 seconds left on the clock the Tigers gave the ball to Booker who ran to his left and then when hemmed up reversed his field. The play was blown dead at this point when an official apparently thought he had gone out of bounds. With one second left, the clock was started and the Tigers could not get off another play.

Local FFA to Be Honored At National Convention

The Hamlin Chapter of Future Farmers of America will be honored at the National FFA Convention Thursday, Oct. 17, in Kansas City, Mo. The Hamlin Chapter will be recognized as a gold emblem chapter, the highest rating a chapter can receive in the National Chapter Contest.

The award is based on the overall activities of the chapter throughout the year. Carrying out special projects and taking an active part in all FFA activities from the local chapter level to the national level in some instances has earned the Hamlin Chapter the gold

emblem rating for the third consecutive year.

Chapter members Gary Lain and Guy Turner along with chapter advisor Milburn Wink are planning to attend the convention and receive the award for the chapter. They will be the guests of Farmland Industries at an honor luncheon honoring all gold emblem chapters in the nation Thursday. Last year the Hamlin Chapter was one of 103 chapters to receive the gold emblem award. There are approximately eight thousand chapters in the nation.

Gary and Guy were selected to attend the Oct. 15-18 national convention. FFA members Kayla Mehaffey and Tracy Gregory are alternates and will attend in case Gary and Guy are unable to attend.

The Hamlin group will leave for Kansas City early Tuesday morning and arrive at the Convention in time to participate in opening activities of the convention Tuesday night. Wednesday will be spent attending convention sessions, touring the Kansas City area, attending the Agriculture Career Show, and listening to the finals of the National FFA Public Speaking Contest. Thursday highlights of the convention will be the presentation of the National FFA Foundation Awards, conferring the Honorary American Farmer Degree, conferring the American Farmer Degree, a FFA Talent Show, and the 1974 "Stars Over America" Pageant. Friday will be spent at the convention and attending the American Royal Livestock and Horse Show. The group will return to Hamlin Saturday.

Mr. and Mrs. Clarence Foster returned home Monday from Twentynine Palms, Calif., where they visited their son and daughter-in-law, Sgt. and Mrs. Robert Foster.

Mrs. Greenway To W-Falls

Mrs. James Carl Greenway, former Hamlin resident, was transferred by ambulance Saturday from an Austin hospital to Wood Convalescent Center in

Wichita Falls. She was accompanied by her son, J. D., who resides in Wichita Falls. Mrs. Greenway, who had been living in California, had knee surgery in Austin. Her new address will be Wood Convalescent Center, P. O. Box 4125, Wichita Falls, Tx. 76306.

He is a member of ADS-AAF, the student branch of American Advertising Federation.

LETTER TO EDITOR

Dear Editor:

I would like to thank the people of Hamlin for their courtesy in receiving the volunteer workers for the National Cystic Fibrosis Campaign and their willingness in giving whatever they could.

I appreciate the workers who gave of their time to work for the campaign in inclement weather.

The money received will aid in research or help some child have a longer and better life.

Sincerely,

RICKEY GRUBEN
... due highest degree

Rickey Gruben To Receive FFA Degree

Rickey Gruben, Hamlin FFA member, will receive his American Farmer Degree at the National FFA Convention Oct. 17 in Kansas City, Mo. The American Farmer Degree is the highest degree conferred upon members by the National FFA Organization. Only one member out of every thousand receives the American Farmer Degree.

Rickey is the son of Mr. and Mrs. Dick Gruben of the Royston community. He is currently attending Tarleton State University as an agriculture major.

While attending Hamlin High School, Rickey was active in all phases of FFA work. He competed four years in leadership and judging contests, exhibited livestock at various stock shows, competed in the National FFA Foundation Awards program (he won four area awards and one state award), held chapter offices, and attended many area, state, and national FFA meetings and conventions. Rickey has in operation an outstanding supervised farming program. He raised beef cattle, cotton, wheat and milo.

Rickey's parents are planning to attend the convention also.

FFA Taking Orders for Citrus Fruit

The Hamlin FFA Chapter has begun its annual citrus fruit sale. Chapter members will be selling oranges and grapefruit from now until Nov. 18. The cost of the fruit this year is \$6.50 per 40-pound box or \$3.50 for a half of box. The fruit may be bought as oranges, grapefruit, or mixed half and half.

The fruit will be top quality fruit and will be delivered sometime between Dec. 2 and Dec. 10.

All FFA members are selling the fruit. However, those that are not contacted and wish to order some, may call Milburn Wink at 576-3579 or Gary Finley at 576-3787 to place orders.

Anson Lions Host Circus

David Dobbins, president of the Anson Noon Lions Club, has announced that they will sponsor a three-ring circus, Saturday, Oct. 12, on the Anson football field parking lot. The Dailey Bros Show features performers from around the world and animal acts in the 90-minute performance.

Advance tickets will be \$1.50 and can be purchased at the Hamlin schools. Tickets bought the day of the circus will be \$2.00 for adults and children. Children under five will be admitted free.

Performances will be at 2:30 p.m. and 8:00 p.m. Those arriving early will get to see the animal menagerie before the show starts.
